 - sponsoring
 - attending
-

GemCity.TECH

Our Groups

Each of our monthly user groups brings people together to explore and learning about technology. We provide a platform for people to get involved, exercise new skills make new friends and build a support system. There are multiple opportunities to share your knowledge, learn from others and take ownership of your own community.

Where do we meet?

Arcade's Innovation Hub

Our partner, the **Arcade's Innovation Hub**, offers a variety of meeting spaces for our groups. The Arcade is a historic complex located in Dayton's central business district. It features elegant architecture with grand and open spaces.

We'll gladly give you a tour of the beautiful collaboration space.
